The divine economy is God's plan to dispense Christ into His chosen people, into His chosen people to produce, constitute, and build up the organic, the organic Body of Christ.

The unique oneness of the Body of Christ is the oneness of the Spirit, the oneness of the Spirit—the mingling of the processed Triune God with all the believers, with all the believers in Christ.

The overcomers see the Body, know the Body, care for the Body, honor the Body, do the work of the Body, and keep every principle of the Body.

The overcomers live out and work out the New Jerusalem, the New Jerusalem by the mingling of God with man for the oneness of the Body, the Body of Christ.
