God’s economy — His household administration is to produce and constitute the Body of Christ by dispensing Himself into our being to make us the same as He is in life and nature but not in the Godhead.

The church of God is the house of the living God, the pillar and base of the truth, and the great mystery of godliness — God manifested in the flesh. (Piano alone)

We must be inoculators, those who inoculate others against the decline of the church, by exercising our spirit and remaining in the healthful teaching of God’s economy.

We must be inoculators, those who inoculate others against the decline of the church, by being a man, a man of God with the breath of God.
