To carry out His heavenly ministry for the propagating of Himself, the ascended Christ uses a body of His witnesses, who bear a living testimony of the in-car-nated, cruci-fied, resur-rec-ted, and ascended, resur-rec-ted, and ascended Christ.

We must receive the Lord’s mercy to keep ourselves in the flow of the age, the one flow of the Lord’s work, the one flow of the Lord’s work, for the spreading and building up of the church.

We need to see the vision of God’s eternal economy and have a dispensational transfer so that we may live a life fully according to and for God’s New Testament economy, a life fully according to and for God’s New Testament economy.

The continuation of the book of Acts is the corporate continuation of Christ with the corporate living of the perfected God men as the reality of the Body, the Body of Christ.
